INDUSTRIAL VISIT 2021-22

**FACULTY COORDINATOR: DR. S. V. GAIKWAD
PROF. S. S. KHOT**

Industry visit is one of the best part of academic where students get an opportunity to learn practically through interaction, working methods and employment practices with industry experts. It gives the students an exposure to current technology practices as opposed to theoretical knowledge being taught at their college classrooms.

PICT has organized four industrial visits at

1. GMRT Junnar, Maharashtra

Date of Visit : 3rd June 2022

The Giant Metre wave Radio Telescope GMRT, located near Pune, Junnar, near Narayangaon at khodad in India, is an array of thirty fully steerable parabolic radio telescopes of 45 meter diameter, observing at meter wavelengths. GMRT will have over three times the collecting area of the Very Large Array (VLA) in New Mexico, USA

2. Transtech Systems, Pune

Date of Visit : 8th June 2022

The company is a manufacturer of online UPS ,power Inverter and offline UPS. The capacity of the UPS system is 1 to 100kVA,150 to 500 KVA and 0.5 to 3 K VA. After sales services and installation.

3. Knorr Bremse Technology Center India Pvt. Ltd.

Date of Visit : 10th June 2022

Knorr-Bremse Group companies and to support development of best in class mechanical and electronic products for Rail and Truck Vehicle Systems. Knorr-Bremse is a leading manufacturer of braking and control systems for commercial vehicles and also it supplies vehicle owners, workshops and distributors with high-quality products and service solutions for commercial vehicles of all kinds and all ages.

4. ATC Mobile Tower, Tata Telecommunication Ltd.

Date of Visit : 7th June 2022

GMRT will have over three times the collecting area of the Very Large Array (VLA) in New Mexico, USA
The staff members involved were,
