**Library information**

As we aspire to be the leader in higher technical education and research, the PICT library is not only known for its collection of rich books but also how it advances knowledge by providing the right tools and expertise. As the world keeps making new advancements in technology, new knowledge and information is generated, and we keep our resources updated so that all our students, staff, scholarly researchers, and professionals are benefited to the fullest. The library, driven by innovation, is user-friendly and has all updated facilities. The library has a seating capacity of 300 users. Library automation is ensured by the use of Library Management Software, Web-OPAC, a barcode entry registry system, etc. A separate section “Manthan The Change Maker” is created for inspirational and motivational books. In this unique section of the Central Library, low-pitch soothing music is played in the background, which students appreciate a lot. The library has an excellent collection of print as well as e-resources required for Undergraduate, Post Graduate Engineering as well as for professionals and scholarly researchers. It stocks over 32000 Print Books, 634 e-Books, 36 Journals/ Periodicals, 200 e-Journals, 12344 Video Lectures, and 2215 CDs/DVDs.

**Digital Library**

The digital library of PICT has an excellent collection of digital content like e-Journals, e-Books, e-Papers, NPTEL Video Lectures, Repositories, and many more from various publishers like IEEE, Springer, Packt, Prentice Hall of India, etc. This has given access to numerous contents with multiple resources and selections at hand. It is learner friendly. PICT is a member of the National Digital Library of India (NDLI) Club. NDLI is a virtual repository of learning resources that is not just a repository with search/browse facilities but provides a host of services for the learner community. All students can enroll themselves as members of the PICT NDLI Club.

participation in Training & Placement, Internship activities, etc. To discourage unauthorized absence, penalties may be imposed (as per decisions taken from time to time). Participation in mass bunking will be viewed very seriously and shall invite appropriate punitive actions. Term Work Marks will be calculated transparently on a continuous assessment basis. Parents are requested to meet/contact the concerned teachers at least once in a month. Every student has a Teacher Counselor cum Guardian (TG). Students & Parents must be in contact with their TG on a regular basis. They can seek guidance/help from TG, in case they face any problems. The parents should contact the respective TG for any clarification related to their ward.

- As per SPPU Circular VMM/2017-18/904 dated 04/06/2018, if a student is found involved in any sort of ragging, his/her admission will be cancelled. Strict action will be taken against ragging as per the Maharashtra Prohibition of Ragging Act 1999 and the 'Prevention and Prohibition' of ragging as published in AICTE approval process handbook, and their amendments published from time to time. Maharashtra Prohibition of Ragging Act 1999 which is in effect from 15th May 1999 has the following provisions for Action against Ragging: Ragging within or outside the campus is prohibited. Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside an educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and/or a penalty which may extend to Ten Thousand Rupees. Any student convicted of an offence of ragging shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of order of such dismissal. The Institute has constituted an Anti-Ragging Committee to prevent ragging incidents. The students are advised to contact the Principal/Head of Department/Anti-Ragging Committee Members/Hostel Warden for any support/information. The complaints regarding ragging should be brought to the notice of the Principal. In addition to Anti- Ragging Committee, the College Grievance Redressal Cell (CGRC) is also constituted. The contact numbers and email IDs are provided in this brochure at the end. Name of the program	Computer Engineering
Level	Undergraduate
Duration program	4 Years
Number of seats	240
No of application received last year	2640 (Total applications)
Actual enrolment	314
Cut off marks/rank of admission during the last years	99.68 (CET PERCENTILE)
Fee	Rs. 1,03,500/- for A.Y. 2024-25 (F.E.)
Name of the program	Electronics and Telecommunication Engineering
Level	Undergraduate
Duration program	4 Years
Number of seats	240
No of application received last year	2640 (Total applications)
Actual enrolment	285
Cut off marks/rank of admission during the last years	98.96 (CET PERCENTILE)
Fee	Rs. 1,03,500/- for A.Y. 2024-25 (F.E.)
Name of the program	Information Technology
Level	Undergraduate
Duration program	4 Years

NEP implementation strategies

**Multidisciplinary curriculum:**

The Strategic Development Plan (SDP) of the institute is formulated in line with the vision and mission of the institute and focuses on holistic development of students and staff. It is evident through adapting following practices

- Establishing Center of excellence in the field of technical education and research
- Providing the best infrastructural, educational, laboratory facilities for enhanced learning
- Continual faculty development to enhance the pedagogical, domain, research and life skill competencies
- Promote industry institute interaction to provide the industry exposure and facilitate the students and faculty in carrying out internships, mini and major projects, consultancy.
- Enhance the overall/all-round skills amongst the students through rigorous training programs beyond the curriculum leading to excellent employment, entrepreneurship and higher education opportunities.

The basic engineering sciences like physics, chemistry and mathematics, are part of curriculum in first year engineering. The institute follows the curriculum related to humanities and social sciences as well and given proper weightage so as to give comprehensive approach which satisfies STEM.

The institute follows credit-based curriculum as per norms and offers interdisciplinary subjects either through regular or Audit Courses to their respective students eg. Green Constructional studies, environmental studies, Humanity and social values, Human Computer Interaction etc.

PICT also offers value-based multidisciplinary education in the form of webinars through center of innovative learning, seminar, induction program, expert lectures, workshops, certificate courses to the students with the intention of developing humanistic, ethical, social, constitutional, intellectual, and universal human values.

PICT is having interdisciplinary domain research groups such as Advanced communication lab, multidisciplinary research lab, AI ML lab, Computational Linguistic lab to name a few and also having a interdisciplinary Automobile club (Electrical Vehicle), Drone development club.

Moreover, it is also having a multidisciplinary industry sponsored labs on AI, IOT and Robotics , 3D printing lab, AR/VR etc.

	<p>Every department is meticulously taking continual efforts to inculcate holistic skills in the students. These efforts are reflected in the form of improved state of the art facilities, University results, placements, start-ups and innovation cell, entrepreneurship development cell, remarkable success of the students in hackathons, quality research publications, product development, consultancy, research grants, patents and patents.</p> <ul style="list-style-type: none"> <li>• Multidisciplinary <a href="#">A-MULTIDISCIPLINARY-CURRICULUM</a></li> <li>• Credit structure SPPU mandatory \ <a href="#">B-CREDIT STRUCTURE</a></li> </ul>

The dining hall is filled with students who enjoy their friends' company while having their meals or brunch. Sports and recreational facilities like basketball, volleyball, table tennis, chess and carrom are available to students as well as faculty. Sports and cultural activities are organized regularly in order to keep the spirits high and lead a balanced and healthy lifestyle. Intra-college, as well as intercollege events, allow students to explore their potential to the highest extent. Yoga, one of the most proven methods to keep our body and mind fresh, is organized regularly for students as well as faculty. To take care of students and staff health, a 24x7 medical facility is available on the campus.

- Fee structure for various programs

Fee Structure for students admitted under NRI,OCI(PIO),FN,CIWGC, for A.Y. 2024-25(UG)

Quota	Fees (Rs.)
NRI and CIWGC	1,03,500/- *
OCI(PIO) and Foreign Nationals	1,86,000/-

\*The Institute has filed a review application before the Fees Regulating Authority for UG – 1<sup>st</sup> Year. The above fee is subject to the decision of the Fees Regulating Authority regarding review application.

- Fee refund policy

The policy of refund of the fee, in case of withdrawal is as per the Admission Information Brochure published by competent authority. As per the Brochure, the Institute shall refund the entire fees to the candidate after deduction of Rs.1000/- towards processing charges, in case of withdrawal/cancellation before cutoff date.

Research

- Research and Development Cell :

Research is the backbone of academics for the promotion of research, Institute has Research and Development Cell. It includes research, development, and innovation activities to solve the problems through technological advances in the areas of Healthcare, Education, Agriculture, Finance, and other sectors by putting dedicated efforts in core and multi-disciplinary research to the benefit of Society, and Nation.

R&D Cell aims to nurture research culture in the institute by promoting research in newly emerging and challenging frontier areas of Computer Engineering, Electronics and Telecommunication Engineering. Information Technology and Artificial Intelligence and Data Science. It encourages the students and faculty to undertake research in newly emerging frontier areas including multidisciplinary fields. This enhances the general research capability by way of participating in conferences, seminars, workshops, and various competitions, etc.

R & D Objectives:

- To develop inter-departmental collaborations for inter-disciplinary/multi-disciplinary research

- Library

The central library of PICT was established in 1983 to provide library information services to the institute program of Computer Engineering. Initially the library has a collection of print resources. The library currently has more books than the requirement specified by the All India Council for Technical Education (AICTE) for all the programs run by PICT. Since its establishment the library has grown into a valuable resourceful area with a large collection of print and e-resources, users, and memberships of professional associations like IEEE, Springer, etc.

Central Library is situated on the ground floor with an area of 891.00 Sqm. For better functioning of the library, it is divided into different sections like Stack Area, Periodical Section, e-Access Area, Reference Section, Group Study Area and the Reading Hall with excellent infrastructure and Wi-Fi connectivity. To encourage the students to read non-technical, motivational, inspirational, and healing books in a stress-free musical environment, a special section “Manthan-The Change Makers” is created in which low-pitched soothing and healing music is played in the background.

The library was automated by installing in-house Library Software, later by installing commercial Library Management Software “Deeksha”, Currently, “Koha” is used as Integrated Library Management System (ILMS). Web-OPAC, Book transaction is supported with Koha, for which books and Identity cards are bar-coded.

Students have actively contributed to Library Automation Projects such as Single login for using the Digital Library, Automated Barcode Register System, Virtual Tour of the Library, etc.

To promote the research activity and to give exposure to the hidden talent of the users various national and international e-resources in the areas of recent trends and cutting-edge technologies are subscribed i.e. IEEE, Springer, Packt publications, Prentice Hall of India, etc. and a 24x7 access is made available to staff and students. Also, it has Digital Library Membership with the National Digital Library of India-NDLI. PICT-NDLI club conducts learning sessions on various topics for staff and students.

To promote the interactive activities and reading habits among students, PICT Central Library celebrates various days to recognize the significance of that particular day and accordingly conducts various activities like book displays, essay competitions, elocution competitions, screening of motivational short films, expert speeches, poster exhibitions, a variety of entertainment performances, etc.

PICT library plays a crucial role in providing a holistic learning environment for students. By offering diverse resources, programs, and activities, the library encourages students to explore interests beyond their academic curriculum.

- Innovation Cell

Institute Innovation Council (IIC) is established in the Institute. IIC ID is IC202015467. The IIC conducts the activities as specified by MoE's Innovation Cell, Government of India. The IIC has obtained 4 Star rating in A. Y. 2020-21. The Council updates the information on YUKTI, KAPILA, NISP, ARIIA portal regarding activities conducted.

• Teaching Learning Process

Academics at PICT are run through a well-planned academic calendar with strict adherence. Institute has institutionalized OBE processes with a structured academic hierarchy. In addition to the SPPU curriculum, departments conduct various training and certificate programs to enhance students' skills hence employability. Faculty members have been very quick enough to adapt to the latest innovative pedagogical practices using ICT and implemented them in classroom and laboratory teaching and learning.

**(13)** 13) Student Life

**1. PRACTICAL LEARNING**

PICT believes that practical learning is as important as academic learning so that students become well-versed with that they are learning from the day they learn it

**2. EXTRAORDINARY ALUMINI**

PICT is alma-mater of lifelong achievers who have gone ways to accomplish great success in various aspects.

**RESIDENTIAL COMMUNITY**

PICT's campus is situated in a student friendly and safe part of Pune making it easy for students and staff to commute and stay over.

**EXCELLENT RESULTS**

Our students achieve outstanding results and successfully progress to work and study further with a backing of an excellent academic.

**GREAT CAREER OUTCOMES**

Our graduates lead rewarding careers in a wide range of fields, from medicine, law and education to scientific research, finance and consulting.

**EXCELLENT SUPPORT**

Our office and other staff will be on hand to support you and answer any questions that you might have on any aspect of studying with us.

### Facilities in Hostel

Twenty-four hours security personals are deployed at Girls and Boys Hostel.

Proper approach road, good environment, sufficient water supply and generator back-up is available for Girls & Boys Hostel.

CCTV cameras are installed in Hostel premises.

Bio-metric entry and exit facility is available in hostels.

Wending Machine is installed inside Girls Hostel.

Internet Facility is available in the hostels.

Canteen facility is available in annex building very near to Boys and Girls hostel.

Gym Facility is available for students on campus.

Anti-ragging Committee is established as per rules.

Medical facility and Doctors are available in the campus.

Solar System for hot water is installed at Boys and Girls hostel.

Water purifiers are installed in Boys and Girls hostel.

- Fellowships/ Scholarships (provide details):

- In case of reserved category students belonging to SC, ST, NT-VJ, DT, SBC & OBC category and admitted from Government quota (CAP Rounds), having income less than 8 lacs are offered concession by way of Freeship/Scholarship by the Competent Authority (Social Welfare Office, Pune ). Students have to submit online application using the link <https://mahadbt.maharashtra.gov.in>
- The concessions are however subject to submission of Caste, Caste Validity, Non-Creamy Layer Certificates etc. at the time of admission. For more details visit <https://pict.edu/Scholarship/>

#### About IQAC

As per UGC and National Assessment and Accreditation Council (NAAC) guidelines PICT established an Internal Quality Assurance Cell (IQAC) as a post-accreditation quality sustenance measure. Quality enhancement is a continuous process, the PICT IQAC has been an important part of the institution and works towards realization of the goals of quality enhancement and sustenance.

PICT was accredited by NAAC in 2004 for the first cycle, in 2010 for the second cycle, in 2017 for the third cycle and in 2023 for the fourth cycle with A+ grade. PICT IQAC continued to strive for the betterment of the overall performance of the institute.

### **Objective of IQAC**

The prime Objective of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the overall performance of the institution, facilitate internalization of quality culture and institutionalization of best practices.

### **Functions of IQAC**

1. Development and application of quality benchmarks/parameters for the various academic and administrative activities of the institution catering to the requirements of NBA, NAAC, NIRF, Autonomy, and Ranking agencies
2. Gathering the updated information on rules, guidelines, procedures, manuals and dissemination of the same to all the stakeholders
3. Organization of workshops, seminars on quality related themes and promotion of quality circles and enhance the awareness amongst all the stakeholders
4. Guiding all the concerned and coordinating in laying down the procedures, processes for compliance of accreditation and ranking agencies

AICTE/WH/2016/01.—All India Council for Technical Education (Gender Sensitization, Prevention and Prohibition of Sexual Harassment of Women Employees and Students and Redressal of Grievances in Technical Institutions) Regulations, 2016.

**Role & Responsibilities:**

- To ensure the smooth functioning and compliance as per notification in gazette.
- Wherever required, appropriately subsume the spirit of the above definitions in its policy and regulations on prevention and prohibition of sexual harassment against the women employees and the students, and modify its ordinances and rules in consonance with the requirements of the Act;
- Publicly notify the provisions against sexual harassment and ensure their wide dissemination.
- Organize Training Programmes or as the case may be, workshops for the officers, functionaries, faculty and students, to sensitize them and ensure knowledge and awareness of the rights, entitlements and responsibilities enshrined in the Act and under these regulations.
- Act decisively against all gender-based violence perpetrated against employees and students of all sexes recognizing that primarily women employees and students and some male students and students of the third gender are vulnerable to many forms of sexual harassment and humiliation and exploitation

Mechanism for submission of offline/online student grievances:

The students/ employees are given free hand to submit their grievances & complaints related to sexual harassment. They can submit their complaint in anyone of the given method:

**ONLINE:**

- Email Submission/ Phone Calls:

Complaints can be raised through Email Ids of the members. Complaints can even be informed through phone calls to the members which are available on web site. Necessary actions are being taken upon receipt of complaints as per the rules.

**OFFLINE:**

- Redressal Complaint Box:

The complaint box is kept in the college campus, the students can write & drop his/her grievances & complaints in the box provided. Periodically the complaints will be collected & analysed.

### **Redressal Mechanism of the grievances adopted**

As per the notification of Ministry of Human Resource Development (All India Council for Technical Education) No. F. AICTE/WH/2016/01 Institute has adapted following redressal mechanism –

The registered complaint on sexual harassment matter will be confirmed on the receipt. The received complaint will be assessed & authentication will be checked. After authentication & validation the received complaint will be forwarded to the concern committee to enquire & submit the report. The oral complaint received through phone will be addressed only after taking a written complaint. The anonymous complaint submitted by the student will not be entertained.

(1) To send one copy of the complaint to the respondent within a period of seven days upon receipt of the complaint.

(2) Upon receipt of the copy of the complaint, the respondent shall file his or her reply to the complaint along with the list of documents and names and addresses of witnesses within a period of ten days.

(3) The inquiry has to be completed within a period of ninety days from the receipt of the complaint. The inquiry report, with recommendations, if any, has to be submitted within ten days from the completion of the inquiry to the Executive Authority of the technical institute. Copy of the findings or recommendations shall also be served on both parties to the complaint.

(4) The Executive Authority of the technical institute shall act on the recommendations of the committee within a period of thirty days from the receipt of the inquiry report, unless an appeal against the findings is filed within that time by either party.

(5) An appeal against the findings or /recommendations of the ICC may be filed by either party before the Executive Authority of the technical institute within a period of thirty days from the date of the recommendations.

(6) If the Executive Authority of the technical institute decides not to act as per the recommendations of the ICC, then it shall record written reasons for the same to be conveyed to ICC and both the parties to the proceedings. If on the other hand it is decided to act as per the recommendations of the ICC, then a show cause notice, answerable within ten days, shall be served on the party against whom action is decided to be taken. The Executive Authority of the technical institute shall proceed only after considering the reply or hearing the aggrieved person.

(7) The aggrieved party may seek conciliation in order to settle the matter. No monetary settlement should be made as a basis of conciliation. The technical institute shall facilitate a conciliation process through ICC or GSCASH, as the case may be, once it is sought. The resolution of the conflict to the full satisfaction of the aggrieved party wherever possible, is preferred to purely punitive intervention.

(8) The identities of the aggrieved party or victim or the offender shall not be made public or kept in the public domain especially during the process of the inquiry.
